

A Prayer for Prisoners' Sunday

20th November 2011

We praise you, God our Father, for the Resurrection of your Son, for his return to life.

We thank you for his victory, which he shares with us.

We thank you for putting in our hearts an understanding of this Resurrection which leads us into the mystery of his love.

Through his Death and Resurrection he frees us all, from our weakness and frailty.

He frees us, from all our prisons.

We pray for ourselves and for everyone held bound, in any way.

Help us to enter ever more deeply into the freedom that Jesus offers us.
