My name is

.....

Today I am going to see

.....

We look like this.

This is a picture of us together.

When I get to where they are all staying there will be walls and gates like a castle.

Draw your own picture of a castle.

After my journey I might have to wait before I go in.

The people who work there
are looking after

.....

They wear uniforms and have lots of keys.

They look like this:

I will go into a big room with lots of people.
I might see a dog, but I won't be scared.
The dogs are friendly and don't bite.

(Draw your own picture of a dog)

All the grown-ups have to stay sitting at the
tables, but there's a place
where I can play
if I want to.

When I visit, I can normally stay for about an hour.

Then,

.....
has to go back to their bedroom for a nap.

What do you think their bedroom looks like?

When it's time to go home, I can laugh, cuddle or cry if I want to.

I might draw a picture to put on their bedroom wall? If I don't finish it, I can post it to them.
